June 17, 2024

Dear Colleagues,

As you are likely aware, I have suggested in the media that any leaders who have not yet done so, pursue the opportunity to obtain top secret security clearance, read the June 3rd report of the National Security and Intelligence Committee of Parliamentarians (NSICOP) so that we all share the same knowledge base from which we can combat foreign interference.

Advancing action in Canada to thwart efforts by foreign states to improperly influence Canadians or, worse, to interfere in our democracy can be more effectively pursued if we work together. We already have an extraordinary group of exemplary parliamentarians, members of NSICOP, who have done a huge amount of work.

I am hoping you would agree that we meet, as many of us as are willing, in a confidential and secure setting with NSICOP members to discuss actions we could agree upon to take effective action to combat the threat and restore the confidence of Canadians in our parliament, and our democracy, well ahead of the expected 2025 election.

Thank you for your time and consideration.

Sincerely,

Elizabeth May, O.C.  
Member of Parliament  
Saanich-Gulf Islands  
Leader of the Green Party of Canada
